Patthy too has a wonderful family, and Patthy and her husband Frank are two of the busiest people I know - serving on boards, <sup>& committees</sup> and being the most generous volunteers for a thousand causes - talk about community work and I think of the Sanders! ~~At~~ Both their winter and summer homes are charming, and they are wonderful hosts, & I know they have lots of beds & visitors!

Dear Patty: -

Was thrilled  
to hear of your plans  
for an N. E. S. reunion!  
No, I did not receive  
a letter about it  
before yesterday.

But better late than  
never. However - I'm  
scheduled to attend  
a Basketball  
Referee Clinic at  
Couchiching on the

same weekend!  
will do my very  
best to get to at  
least part of the  
Reunion.

Sincerely

Stacey

P.S. - Yes, would  
like to drive with  
you if you could pick  
me up in Russell and  
get on second thought.  
I'd better have my own  
car as I will have to go  
on to Couch on Sunday.  
Thanks anyway, Stacey.

Dear Patty.

Your form letter arrived by yesterday's mail! Had thought for some time that "The old gray mare ain't what she used to be!" and now I knew why! Twenty five years later I should slow down.

The reunion plans sound exciting and I'm all for it.

My Dad retired last fall and he and my step mother (and baby sister - 6 months younger than my youngest) have moved to Islington.

I should love a single reunion meeting place, but realize how impractical this could prove to people on the west coast and half a class would be better than none.

'Tis obvious Rhoda hasn't kept in touch! Her current address is R.F.D., ~~at~~ Route # 1, Boise Idaho.

We used to see Miss Somers annually while we were in Providence, R.I., but have been in Jersey nine years now. Still hear from her at Christmas. She mentioned this year that the eyes, heart and hearing were not as good as they once were but she was feeling well otherwise.

Could ramble on at great length but shall save your time til we meet in May. Just hope all three children cooperate when the time comes.

Sincerely

Kay Swenson

Dear Patty,

Home safely, albeit late and frustrated. Possibly my disposition wasn't as sunny as it should have been after the carousing we did! J.C. & flight was late enough leaving Toronto so I missed Air Taxi to Newark and had to wait a half hour for the next one. Arrived in Newark to find my luggage hadn't made it, so had to wait another half hour for that!

Got a 7 A.M. phone call Tuesday to substitute but turned it down in a hurry! Back to bed, and Dick called at 8 A.M. to see if I were safely home and had had fun. Am still trying to catch up on sleep.

It was such a special weekend though and I just must thank you again for your marvellous job organizing things. Please thank Frank too for treating me to Sunday night dinner.

Am anxiously awaiting Phis letter now to see what she comes up with to counteract our sentimental drive!

Don't forget us when you come to New York.

Affectionately,  
Kay Reed Solomon
